

Getting Started

Generac University

Registering for an account.

- 1) Go to www.generac.com/university
 - a) Please do not create a duplicate account.
 - b) Every user needs their own account with a **unique primary email**.
(An optional alternate email can be provided. The primary and alternate emails will receive the same email notifications.)
- 2) Click **Create a New Account/Register**

- 3) Fill in your information, then click submit.
 - a) If you have a Dealer Number, you will need to enter the leading 0's but NOT the 1002.
Example: 0011113567

You will receive an email with your Username when you click **create an account**.
